Tours of JOT Personnel in [REDACTED]

REFERENCE: Your memo of 17 December 1957

25X1A8

1. Your suggestion that JOT personnel be assigned to [REDACTED] is one which I have directed C/Junior Officer Training Program to follow whenever possible. You may be sure that it has been sympathetically received.

2. Already the need which you expressed has been recognized and a conscious attempt has been made to recruit men with scientific backgrounds for the JOT Program. This effort will be continued and, indeed, increased.

3. No doubt, you are already aware that JOT [REDACTED] now absent on military furlough until March, has been assigned to [REDACTED] and will, on his return, resume his duties there. You will be interested to know that he has expressed enthusiasm with his short experience in this work. It is also expected that another JOT will be available for this assignment about the middle of next February on the completion of OFC #12. On his return from [REDACTED] he will be sent to Miss [REDACTED] for interview.
